IITM COLLEGE OF ENGINEERING
Nurturing Excellence

ABOUT IITM

The IITM Group of Institutions, with its longstanding commitment to excellence in higher education, has taken a bold and transformative step in the field of technical education by acquiring and rejuvenating IITM College of Engineering in Bahadurgarh. This strategic initiative not only signifies a remarkable expansion of the group's academic footprint but also reaffirms its dedication to nurturing future-ready professionals equipped to thrive in a rapidly evolving global landscape.

Located amidst a serene and eco-friendly environment in the Delhi-NCR region, the campus has undergone a comprehensive transformation to align with modern educational standards and student aspirations. The state-of-the-art academic block now features centrally air-conditioned, smart classrooms, cutting-edge IT laboratories, a language proficiency lab, and spacious, well-appointed faculty offices that foster academic collaboration and innovation. The College strongly emphasizes holistic development, offering students a vibrant campus life that balances academic rigour with personal well-being. Facilities such as a clean and hygienic cafeteria, a fully developed sports ground, and modern hostel accommodations provide a nurturing and secure atmosphere conducive to learning and personal growth. Accessibility is further enhanced through excellent metro connectivity via Brigadier Hoshiyar Singh Metro Station, complemented by complimentary pickup and drop-off services for students, ensuring ease of commute.

At the heart of the College's success is a highly experienced and dedicated faculty comprising academicians and industry experts who mentor students with a focus on practical learning, ethical grounding, and critical thinking. IITM College of Engineering is also distinguished by its strong focus on career readiness, supported by active industry partnerships, a robust placement cell, and a curriculum integrated with real-world problem-solving, internships, and experiential learning models. These initiatives not only prepare students for immediate employability but also for long-term leadership in their respective fields. In addition, the College regularly organizes workshops, industrial visits, expert talks, and technical fests to enrich students' academic exposure and hands-on skills.

A student-centric approach ensures that every learner receives individual attention, guidance, and support throughout their academic journey. With a vision to empower youth through technology-driven education, IITM College of Engineering remains steadfast in its mission to produce globally competent engineers with a deep sense of responsibility towards society. Under the visionary leadership of the IITM Group, the College is emerging as a beacon of transformative technical education, committed to shaping skilled, responsible, and innovative individuals who will drive progress and excellence in a competitive global economy.

FROM THE CHAIRMAN'S OFFICE

"We at IITM are at our innovative best, when we encourage the students to live up to their dreams and help them realise those by constantly encouraging them to take on the future uncertainty of the cooperate world"

Sh. RAVI SHARMA

IITM College of Engineering is dedicated to providing quality education of global standards, preparing students for the dynamic professional world. More than an institution, IITM is an experience focused on nurturing future leaders. With a committed faculty advancing knowledge and a global perspective, we ensure students undergo a transformative journey. Our integrated approach combines academics, co-curricular, and sports activities, making learning enjoyable and enriching.

IITM fosters holistic development—intellectual, physical, emotional, and spiritual. Modern infrastructure, well-equipped laboratories, air-conditioned classrooms, and a comprehensive library create an ideal academic environment. With the continued support of our dedicated faculty, involved parents, and trusted advisors, we remain committed to our mission of excellence.

At IITM, we believe that education is not merely about acquiring knowledge, but about building character, cultivating values, and inspiring innovation. We encourage our students to think critically, act ethically, and lead responsibly in a rapidly evolving world. It is this ethos that sets IITM apart and drives us to empower every student to reach their fullest potential.

We warmly welcome you.

Ravi Sharma
Chairman

VISION

To cultivate a world-class center of excellence in education that empowers students to become innovative, ethical, and globally competent professionals. We envision IITM College of Engineering as a transformative experience—where academic excellence, cutting-edge infrastructure, and holistic development converge to shape future leaders of the modern world.

MISSION

At IITM College of Engineering, our mission is to provide an inclusive and dynamic educational ecosystem that blends academic rigor with co-curricular engagement and personal growth. Through globally benchmarked teaching methods, dedicated faculty, and industry-relevant curriculum, we prepare students to thrive in a rapidly evolving professional landscape. We are committed to fostering intellectual curiosity, critical thinking, and integrity—supported by state-of-the-art labs, modern classrooms, and a vibrant campus life.

QUALITY POLICY

We are committed to delivering quality education that meets global standards and continuously adapts to the needs of the future. At IITM College of Engineering, quality is reflected in every aspect—from curriculum design and faculty excellence to infrastructure and student services. We strive for continuous improvement through feedback-driven innovation, stakeholder collaboration, and the holistic development of every learner—intellectually, physically, emotionally, and ethically.

- **State of Art Infrastructure Including SmartLecture Theaters**
- **Workshops and Seminars on Emerging Areas**

OUR CORNER STONES

- **100% Placements and Results**
- **Industry Academia Interaction**

- **Centerally-air-conditioned and wifi enabled campus**
- **Value added courses to make students Industry Ready and Employable**
- **Outdoor sports and games facility**

❖ COURSES OFFERED

01 B.TECH COMPUTER SCIENCE & ENGINEERING (4 YEARS)

- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one subject as Chemistry. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana only) in the above subjects taken together.

OR

- Passed Diploma (in Engineering and Technology) examination with at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana Only) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

02 ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING

- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject/ Computer Science/ Information Technology/ Informatics Practices/ Agriculture/ Engineering Graphics/ Business Studies. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana only) in the above subjects taken together.

OR

- Passed Diploma (in Engineering and Technology) examination with at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana Only) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

03 DATA SCIENCE

- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject/ Computer Science/ Information Technology/ Informatics Practices/ Agriculture/ Engineering Graphics/ Business Studies. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana only) in the above subjects taken together.

OR

- Passed Diploma (in Engineering and Technology) examination with at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana Only) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

04 ELECTRONIC & COMMUNICATION ENGINEERING

Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject/ Computer Science/ Information Technology/ Informatics Practices/ Agriculture/ Engineering Graphics/ Business Studies. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana only) in the above subjects taken together.

OR

Passed Diploma (in Engineering and Technology) examination with at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana Only) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

05 B.TECH CIVIL ENGINEERING (4 YEARS)

- Passed 10+2 examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/ Biotechnology/ Biology/ Technical Vocational subject/ Computer Science/ Information Technology/ Informatics Practices/ Agriculture/ Engineering Graphics/ Business Studies. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana only) in the above subjects taken together.

OR

- Passed Diploma (in Engineering and Technology) examination with at least 45% marks (40% marks in case of candidates belonging to reserved category of Haryana Only) subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

06 Bachelor of Business Administration (BBA) (3 YEARS)

- Senior Secondary Examination (10+2) of Board of School Education Haryana, Bhiwani with 50% marks in aggregate or an equivalent examination recognized by the University.

OR

- Three years Diploma Course conducted by State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent thereto.

07 Bachelor of Computer Applications (BCA) (3 YEARS)

- Senior Secondary Examination (10+2) of Board of School Education Haryana, Bhiwani with 45% marks in aggregate or an equivalent examination recognized by this University.
- Three years Diploma Course conducted by State Board of Technical Education or any other examination recognized by the State Board of Technical Education as equivalent thereto.
